

Andrew Pearsall  
Chemical Engineer V

---

Andrew has been actively working as a process development chemical engineer since 2007. His experiences have focused on process optimization, process safety, and on the safe scale-up of chemicals from the laboratory to the pilot plant. Andrew has worked on the development and scale-up of both semi-batch and continuous chemical processes and possesses extensive experience in dealing with chemistry and the safe handling of energetic compounds. He holds a B.S. degree in Chemical Engineering from Pennsylvania State University, M.Eng. degree in Chemical Engineering from the University of Maryland, and a Graduate Certificate in Project Management from the University of Maryland.
